POINT!

Instantly Lightens your skin and gives natural look!

MAIN CONCEPT

Daily Whitening Care for your Body!

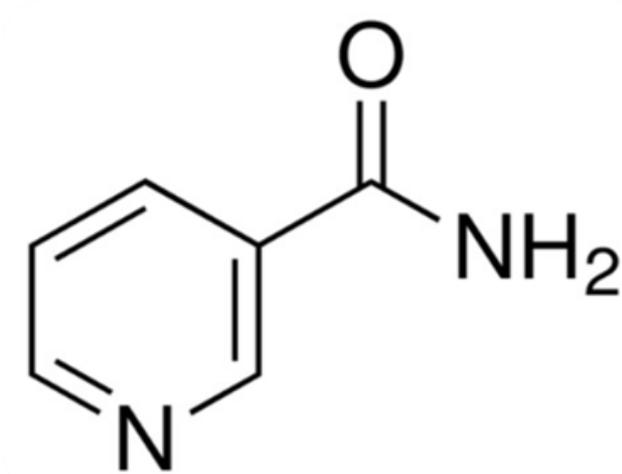

Making the Miracle in 4 weeks

- ✓ Whitening Cream for Dark skin of Elbows, knees, groin areas, under arms, etc.
- ✓ Instantly works on removals of dead skin cells, makes the skin brighter and clearer
- ✓ Daily whitening care for retaining radiant skin and even skin tone in 4 weeks
- ✓ Lightens your skin with natural botanical ingredients, softens skin and achieves skin firmness.

MAIN INGREDIENT

Triple Whitening effects

STEP1. Niacinamide

- ✓ Whitening active ingredient, approved by Korea MFDS(ministry of food and drug safety)
- ✓ Water-Soluble Vitamin-B-complex which is essential for human body
- ✓ Works as antioxidants, keeps the skin healthy and radiant.
- ✓ Preventing excessive water loss and dryness, makes a supple feel.

MAIN INGREDIENT

Triple Whitening effects

STEP2. Tone up Skin with natural whitening extracts

Licorice Extracts

- ✓ Natural oriented botanical ingredients for skin lightening
- ✓ Tone up the skin with Glabridin
- ✓ Glabridin, more effective than Kojic Acid¹⁾, 75 times powerful than Ascorbic acid (vitamin C), in terms of whitening and pigment removal effects. Yet, rated as low hazard ingredient(score 1) at 'Skin deep'²⁾

1) Kojic Acid: One of the whitening substance, extracted from fermentation of yeast.
2)Skin deep : A webpage, being running by non profit organizaion, releases cosmetic safty related information.

MAIN INGREDIENT

STEP2. Tone up Skin with natural whitening extracts

Jujube Fruit

- ✓ Contains 100 times of Vitamin C than apple or peach
- ✓ helps purify and lighten your skin
- ✓ Rich in zizyphic acid, Vitamin B, Carotene, Calcium etc.

Scutellaria Baicalensis Root Extract

- ✓ Effective in anti-aging and whitening
- ✓ Revitalizes fatigued skin and gives soft and silky skin
- ✓ Can be used as skin nutritional supplements as well

MAIN INGREDIENT

STEP2. Tone up Skin with natural whitening extracts

Artemisia capillaris Thunberg Flowers

- ✓ Rich in Vitamin A, B1, B2, C, Iron, Calcium, Potassium and Phosphorus
- ✓ Abundant of Vitamin C works instantly on whitening and achieving even skin tone

- ✓ Effective in minimizing spots and freckles by inhibiting the generation of melanin
- ✓ polyphenols, working as antioxidants and on anti aging

MAIN INGREDIENT

STEP3. Lightens your face from deep within the skin -
White Flower Complex

Vitality and Beauty
Of White pure Flower

Direct & intact
effects on your skin

1) Yulan: Magnolia Flower bud

How to Use

Take the moderate amount of product and apply it evenly to the needed part of your body twice a day.

Under arms

Knees

Elbows

Groin areas

Effect

- Improves skin brightness naturally and instantly.
- Fast absorption allowing no migration to clothes
- Maintains vital and moist skin with moisturizing effect
- Minimized skin irritation by containing ECOCERT vegetable ingredients

You know it's not easy to have bright skin tone within short period of time, no matter how much and how long whitener is used. Spread and your face will naturally become bright. This will last for 12 hours minimum.
